

THE BIG VALLEY RACE at Camp Manatoc

2004 STATE CHAMPIONSHIP OFFICIAL Race Results 8-29-04

Course Description: Rain and heavy thunderstorms Saturday evening left for slip and slide race conditions. Although the course tends to shed the water well, many of the trails were hard pack with a slick layer of Mother Nature's finest slime growing on the surface. The decents and accents we're undesirable for those with semi-slick tire combos, and the roots were a challenge. The temperature was 75-85 degrees and humid, cloud cover 80% of the race. The last two riders to finish in the afternoon battle finished in a heavy downpour of cool and refreshing wet stuff from the sky. Good times if you like to race on edge and have your bike disappear from beneath you for no apparent reason!!! Next year the farmer's almanac is calling for sunny conditions...we hope!
